CHECK-LIST OF APPENDICES

The person submitting the WCC Scholarships application forms should check carefully that all parts have been answered and that the following are enclosed.

Please send two application forms and appendices to Geneva

- recent photo (1 attached to each form)
- requesting body's statement on candidate – if separate
- curriculum vitae
- personal statement
- 3 reference statements (personal, professional, academic)
- language certificate
- education certificates and academic records/transcripts
- health certificate
- all correspondence to/from proposed study institution(s) – if any
- budget form

It should also be re-checked that all 3 declarations (page 2 & 4) have been completed – by the requesting body and the candidate.

N.B. It should be understood by all concerned that a scholarship is only confirmed when a definite offer has been made by the WCC Scholarships Office in Geneva and when the candidate has indicated acceptance of the Terms of Award.

Preliminary approval and even admission to an institution do not imply that an award will finally be made.
