World Council of Churches: Relations with the Roman Catholic Church

The present collection, World Council of Churches: Relation with the Roman Catholic Church, makes available a section of the ecumenical archives covering the period 1948-1992. These archives are of great interest and frequently consulted by researchers working on the history of the ecumenical movement. The different sections contain, among others, correspondence with Pope Paul VI, Pope John Paul II, Cardinal Bea and the Community of Taizé, personal notes, press cuttings, reports and unpublished material.
